

SUBJECT: SVHC Declaration RAMCLEAN® 800

Polyram affirms that to the best of our knowledge the above named products do not contain any of the 205 Substances of Very High Concern (SVHCs) for any of their restricted uses as listed in the Candidate List (as of the date of this declaration) in a concentration above 0.1% by weight.

We at Polyram affirm that we are striving to meet the standards established by EC Regulation 1907/2006 (REACH) and will keep you updated as to our ongoing efforts to ensure compliance as substances are added to the Candidate List.

A current and complete list of the SVHCs on the Candidate List can be found at the European Chemicals Agency (ECHA) website: <http://echa.europa.eu/web/guest/candidate-list-table>

We affirm that this declaration is accurate, to the best of our knowledge, as of the date of issue.

Sincerely yours,

Vitaly Golub
Regulatory Affairs Department
Polyram Plastic Industries LTD

Important: This information relates only to the above mentioned materials as delivered in their original packaging. It does not relate to any product made of these materials with or without the inclusion of further additives, such as processing aids or colorants. To the extent that any hazards may have been mentioned in this publication, we neither suggest nor guarantee that such hazards are the only ones that exist. This information should not be construed as a promise or guarantee of specific properties of the products described or their suitability for a particular application.
